SPECIFIC INSTRUCTIONS FOR IT-140NRS

Important Notice: These instructions are based upon those statutes and reciprocity practices in effect at the time of printing. Amendments may occur that would cause these instructions to change.

KENTUCKY, MARYLAND OR OHIO RESIDENTS

If your West Virginia income during 2015 was from wages and/or salaries only, you may file the Special Nonresident Form IT-140NRS as a claim for refund of any West Virginia income tax withheld during 2015. If you had West Virginia income from a source other than wages and/or salaries, you must file the West Virginia Income Tax Return (Form IT-140) and indicate residency status by checking the Nonresident/Part-Year Resident box. You are not allowed a Schedule E credit against your West Virginia income tax whenever your West Virginia income is other than wages and/or salaries. You should apply for the appropriate credit on the income tax return filed with your state of residence.

PENNSYLVANIA OR VIRGINIA RESIDENTS

If your West Virginia income during 2015 was from wages and/or salaries only AND YOU DID NOT SPEND MORE THAN 183 DAYS WITHIN WEST VIRGINIA DURING 2015, you may file the Special Nonresident Form IT-140NRS as a claim for refund of any West Virginia income tax withheld during 2015. If you had West Virginia income from a source other than wages and/or salaries, you must file the West Virginia Income Tax Return (Form IT-140) and indicate residency status by checking the Nonresident/Part-Year Resident box. You are not allowed a Schedule E credit against your West Virginia income tax when your West Virginia income is other than wages and/or salaries. You should apply for the appropriate credit on the income tax return filed with your state of residence.

A domiciliary resident of Pennsylvania or Virginia who spends more than 183 days within West Virginia during 2015 is also a resident of West Virginia for income tax purposes and is required to file a resident return (Form IT-140) with West Virginia. A Schedule E credit would not be allowed on the West Virginia return. You should apply for the appropriate credit on the income tax return filed with your state of residence.

SPECIAL NOTE: Residents of these states may be relieved from filing an annual claim for refund of West Virginia taxes withheld from their wages and/or salaries by requesting Form WV/IT-104 (West Virginia Certificate of Nonresidence) from their employer. Form WV/IT-104 may be completed and returned to the employer who would then be authorized to stop withholding West Virginia income tax on wages and/or salaries earned in this state.

JOINT FEDERAL FILING STATUS

The IT-140NRS is for individual claims only and is purposed, per reciprocal agreements, to return West Virginia withholding to individual residents of the five bordering states only (Kentucky, Maryland, Ohio, Pennsylvania and Virginia) so that they can satisfy the tax obligations to their state of residence. Each spouse, regardless of the federal status, should file separate IT-140NRS returns to claim refund of their individual West Virginia withholding.
